

Department Report

Report Title: Public Works—October 2023

Name and Title: Mark Buchanan, PW Director/City Engineer

Recently Completed:

- North Grove Street sidewalk repairs and reconstruction from Main Street to just beyond Woodward Way. Design is ongoing for the remainder of the sidewalk to the Skyline Drive terminus.

- Citywide fall decorations.

- Timber staining at Madeline Anthony Park

Ongoing:

- East Main Street repairs.

- Christmas decorations by city staff and volunteers.

- Mount Hope self-guided walking tour.

- Morrison Moore Pedestrian Bridge and Sidewalk design and permitting. At this time, construction is expected in late 2024.
- Park Street water, sewer and storm project has reached award phase.
- Golden Avenue storm drain. Coordination with neighboring property owners regarding necessary easements is ongoing.

Upcoming (these projects are currently either in concept, design or build phase):

- Selected portions of the Arcadia Street water and sewer main project/Mechanic Street to Morrison Moore sidewalk.
- Golden Avenue culvert replacement.
- Memorial Park Cemetery storm drain installation. To be performed by city crews. Materials received...working with owner of adjacent parcel.
