Addendum Subject: Summary of Questions and Answers

Addendum Page Numbers: 1

Question #1: Can you provide the specs for the Flashing Speed Limit sign?

Answer #1: The specifications are as follows:

24" X 30" aluminum speed limit sign, slim design, with solar-powered LED speed display in white bulbs

Fully enclosed housing to protect the wiring and LEDs

Must be MUTCD compliant with and meet retro-reflectivity standards

Solar panel wattage 30W

24-hour use rated with controller
